SUPERINTENDENTS MESSAGE

Albert E. Chandler

In preparing the 1965 "Tiger", the Seniors and Annual Staff are hereby commended for their efforts to record the events of another school year.

As the ending of this year marks the close of your experiences at Elida High, the Faculty joins me in a salute to you the Seniors, whose progress many of us have had the opportunity to observe from your very first day in school. After you have completed your schooling in the Elida Schools, we hope that the 1965 "Tiger" will serve as a memorable record of pleasant experiences while you were here.

Bon Voyage!

PEP CLUB

Our Cheerleaders attended a clinic sponsored by the National Cheerleader's Association. The clinic was held at Texas Tech in Lubbock, Texas. The girls worked to earn their own money earlier in the summer. They learned some new yells. We are quite proud of these girls, who work hard to keep our spirit burning.
